"Wine of Cardui is indeed a blessing
to me. Having suffered for
seven years with weakness and bear-
ing-down pains, and having tried sev-
eral doctors and different remedies
with no success, your Wine of Cardui
was the only thing which helped me,
and eventually cured me. It seemed to
build up the weak parts, strengthen
the system and correct irregularities."
By "Irid woman" Mrs. Adams
means nervous women who have
disordered systems, falling of the
womb, ovarian trouble or any of
those ailments that women have.
You can cure yourself at home with
this great woman's remedy, Wine of
Cardui. Wine of Cardui has
cured thousands of cases which
doctors have failed to heal. Why
not begin to get well today? All
druggists have \$1.00 bottles. For
any stomach, liver or bowel disor-
der "Wine of Cardui" is the best remedy
that can be used.

Improved With Every Issue.
Conkey's Home Journal (Chicago)
presents in its January issue several
new departments which can not fail
to be strongly attractive for women
and girls. Noticeable among the
new features in this popular maga-
zine are "Practical Lessons in Lace-
making" and in the making of
"Coiffure Ornaments." It is an-
nounced that the first of a series of
lessons in Home Millinery will be
presented in the February issue.
Other strong features are "Original
Designs for Waists," "Miss Elch's
Table Talks," "Preparing and Serv-
ing a New Year's Dinner," and a
thoroughly up-to-date Pattern De-
partment. The foregoing is supple-
mented by short stories from William
Lightfoot Vischer, Eben E. Rexford
and William H. Hauby, a special
illustrated article descriptive of "The
Greatest Electric Railway in the
World" and a charming "Melody"
for the piano.

water, but formerly of this county,

our theatrical troupe last week.

Mrs. Robert W. Searcy visited her
daughters, Mrs. Strong and Miss
Maggie, returning to her home at
White-water Sunday afternoon.
Three new pupils entered the
Academy this week: O. S. Talbot,
of Talent; Mr. Estes, Burfordville;
Henry Henley, Marble Hill.

Hons. J. W. Caldwell and J. M.
Walker are up at Jefferson City,
where, we presume, their contest for
a seat in the house will assume a
tangible shape and be fought to a
finish.
Quite a lot of people from this
place and Lutesville went up to
Jefferson City the first of the week,
among them: Hon. Robert Dunn,
Sam J. McMillon, C. A. Revelle, Dr.
Diggs, W. P. McCann, Sam Martin
and others.

The citizens, patrons of the tele-
phone system of Kennett, presented
Miss Bell Wells a beautiful gold
watch and chain in appreciation of
her universal kindness and courtesy
during the past year. Miss Wells
has provided in the telephone ex-
change for some time and is the best
telephone girl in the whole country,
always agreeable, kind and prompt.
The same committee gave Mrs.
Blasier, the night operator, \$15. in
gold.—Kennett Mail.

We had a nice letter from O. J.
Snider, Fredericktown, last week,
and it also had a nice dollar in it,
but we appreciate the nice things he
said, as well as the dollar. Mr.
Snider says he has not forgotten his
many friends here, and that he will
travel another year for the same
house, Sander-Gale Grocer Com-
pany, the largest grocery house in
the west. He had just paid his
mother, who resides here, a visit.

M. M. Myers came down from Glen
Allen one day last week to attend to
business in Probate court and was a
pleasant caller at this office. Mr.
Myers resides in Wayne county but
is at present erecting, and will short-
ly complete, a fine dwelling for Jacob
A. Berry at Glen Allen. He has
administered on the estate of Jacob
Brinley, deceased, and will sell at
public auction, the personal prop-
erty belonging to Mr. Brinley at the
time of his death, at his late resi-
dence four miles west of Glen Allen,
Saturday, January 24.

allowance within one year from the
date of said letters, or they may be
precluded from any benefit of such estate
and if said claims be not exhibited within
two years from the date of the publication
of this notice, they will be forever barred.
W. A. Dunn, Administrator.

"I tell you," said the grocer, "these
here trust fellers had ought to be put
down. The way they're a cornerin'
things is something scandalous."
"Oh, I don't know. I used to feel
that way towards 'em, but yesterday
I read in the paper that some
fellers in Chicago was a goin' to try
to corner all the turkeys in the
country, an' blamed if I don't sym-
pathize with 'em. Why, I run our old
gobbler clear across the township
last Tuesday afore I could get him in
a corner. Them Chicago fellers has
a hard job marked out fer 'em."—
What To Eat.

Our Home Dramatic Club ac-
quired themselves admirably in re-
ndering the drama, "A Noble Outcast,"
Tuesday night of last week. The
house was packed with people and
we have heard only words of praise
for every member of the club, who
seem to have been at their best. All
were highly entertained and went
away satisfied with their evening's
enjoyment. We understand that
the club will give another entertain-
ment of some kind in the near future
and predict that there will be a rush
for tickets as soon as they are out,
for several were disappointed by
waiting too long this time.

Attorney W. K. Chandler had

tended a meeting of the stockholders

writes: "Little Early Risers Pills are

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Testimonials
Mr. G. A. Sullivan, a merchant of Yonkers, N. Y., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced 'incurable.' I myself am able to testify to its merits. My face today is a living picture of health, and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble
Edward Huns, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
